Title	Counsellor
Location	Boston Place, Marylebone, Central London
Hours	Part Time (1 day per week) on a freelance basis
Salary	£100.00 per counselling session (1 hour) and £120.00 for 90 minutes
Reports to	General Manager

### IVF Hammersmith

Boston Place, London is part of the Fertility Partnership, which is one of the largest providers of IVF in the UK. Our clinics, our staff and our patients, benefit from the partnership and all the expertise within the group.

### The Role

The main duties of the post include:

- Dealing expertly with complex scenarios regarding our patients, such as donor and surrogacy situations
- Regular email exchanges regarding patient queries, may be outside of core counselling day

This role will be for an individual who is looking for Freelance work, but is able to commit to a consistent day per week at our Central London clinic in Marylebone. Hours on the day will depend on patient demand.

This is a permanent role which is an essential part of the team as the clinic grows.

### Qualifications and experience

- Previous infertility counsellor experience
- Ability to deal with a range of complex scenarios with empathy and knowledgeably
- Excellent written and verbal communication
